EXOTAN

Rhodos lounge **stone grey**

Nanotex® & fast dry foam

Enjoy outdoor living at home with your best friends and experience the pure comfort. Exotan presents the Rhodos lounge, a high quality lounge set fabricated from the most unique, durable and UV resistant materials. The newest outdoor fabric Nanotex is extremely strong and based on Nano technology. It feels like your indoor sofa. During the winter time we advise to bring the all weather cushions inside, of course the upholstered and aluminium frame stays outside.

Ibiza lounge **black**

Texfabric & fast dry foam

Since the earliest rays of sun in springtime until the last beautiful late summer day you can enjoy the ibiza set. All cushions are all weather and provided with dry-foam fillings. This means they dry quickly and they are mould free.

Index of brands

For more than 20 years a well-know brand for garden furniture in more than 12 European countries. Quality outdoor products in a strong, wide and modern collection. Always innovating and looking for new materials, styles and trends.

TRINITI 

Affordable design for every garden. Trinitati brings a unique and modern collection in outdoor living. Durable and high quality outdoor furniture produced in Vietnam and Europe.

A wide range of maintenance products to keep your garden furniture in the best condition. For all kind of outdoor materials you will find a high quality care product in the Exotan Care range.

Water runs straight through the special foam. This dry-foam ensures that the cushions will dry fast and will keep them in their original shape. Thanks to the Sunbrella® or Texfabric or Olefin fabric covers the cushions will stay in a good condition. Advice to bring the cushions inside in Winter time for a long-term use.

By Texfabric: Water drains from the cushion. The foam is protected with a water-proof lining filling inside the Texfabric cushion. Advice to bring the cushions inside in Winter time for a long-term use.

By Silvertex®: Water drains from the Silvertex® and will not get through the fabric. The Silvertex® is treated with the most advance ion technology, Silvergard®, a natural environmentally friendly bacteria-fighting defense to inhibit odour and stain causing bacteria. All Silvertex® items stay outside during the whole year.

Let's design your garden!

TUINMEUBEL APP
Design your garden

Designing your garden has never been so easy! Take a picture of your garden with your mobile device and choose the furniture from the catalogue. Place the furniture virtually into your garden. This way you can easily decorate your garden without the struggle of measuring and fitting the furniture in your garden.

Prevent the risk of making a wrong purchase and watch how your garden comes back to life with this amazing app, which turns garden fanatics into designers.

A world class vinyl-coated fabric distribution organization enhanced via a 50+ year alliance with Proquinal S.A., the leading coated fabrics manufacturer in the Western Hemisphere. The combination of Spradling's market experience, and award winning design expertise and Proquinal's unique production capabilities, extensive cutting-edge coating technology, along with their ISO certifications, ensure that ever-changing market trends are always recognized.

The world's leading outdoor fabric Sunbrella® solution-dyed acrylic fibres stand up to tough weather conditions and years of sun exposure. The colour pigments are locked right into the very heart of the fibres during the initial stage of the manufacturing process, before the yarn is even made.

Twitchell Leading manufacturer of weather resistant materials for sunscreens and sun foil and plastics for garden furniture. In the products with the Twitchell logo of Persoon Outdoor Living we use Twitchell high quality textilene.

Texfabric and Nanotex are the best quality and durable outdoor fabrics. Nanotex gives a more indoor feeling. Both fabrics are strong, for all weather use, colour fast and breathable. Most important feature feature are UV-resistant, free of maintenance and easy to clean.

Forest Stewardship Council® The FSC® label identifies forests which have been certified in accordance with the rules of the Forest Stewardship Council. Look for FSC-certified products in this brochure.

All Exotan Care products are water-based and do not contain hazardous VOCs, helping to provide better outdoor air quality. Our upgraded formulas provide the quality performance and commitment to more environmentally responsible products that Exotan customers have come to expect. Since they are water-based, our products do not irritate the skin and are safe for human beings. They are also designed to break down quickly and naturally in the environment.

Sevilla lounge

Aluminum with taupe fabric with fast dry foam

Feel the comfort, feel Sevilla! The Sevilla line is unique and modern by using light and durable materials in contemporary colours. Leave your cushions outside easily, because the high quality Olefin fabric and the filling are UV protected and fast drying. After the summer we advise to bring all cushions inside for a long service life.

All Silvertex items are 100% watertight and UV-resistant. The fabric is extremely strong and is used in the yacht industry for many years. The vinyl topcoating and the sealed stitchings are one of the many unique features of the Silvertex fabric. In winter time you can leave the Silvertex items outside because the fabric can handle outside temperatures of -23°C.

Rimini dark grey

Wicker

Rimini loungesets are produced in Vietnam, just outside Saigon. Half round wicker threads are braided with the highest care by locals, on strong aluminium frames. Handmade. Resulting in loungesets in beautiful natural shades.
